

STIPULATIONS CONCERNING THE REPRODUCTION
OF TRANSPARANCIES
IN THE VERNACULAR ARCHITECTURE SOCIETY
COLLECTION.

1. Copies may be made by the Archives without reference to the Society provided that no original is taken out of the building.
2. In the event of the Society or any member of the Society wishing to make a copy, para. 6 of the original agreement will come into operation viz. that the request be made in writing and signed by two committee members, but only when borrowing is envisaged. Otherwise the Society or the members should make use of the Archives' copying department.
3. If reproductions of transparencies are published they must be acknowledged as "Vernacular Architecture Collection, Cape Archives Depot."

Vide: Archives file no. 13/2/V1, Correspondence between the Chief of the Cape Archives Depot and the Secretary of the Vernacular Architecture Society of S.A., Aug. - Sept. 1973.

EXTRACT FROM THE AGREEMENT ARRIVED AT BETWEEN THE STATE ARCHIVES
AND THE VERNACULAR ARCHITECTURE SOCIETY OF SOUTH AFRICA, JULY 1971

(The Vernacular Architecture Society Collection encompasses measured drawings, photographs, slides, plans and other documents relating to historic buildings, and also photographs of furniture, implements and dress to be added to on a continuing basis. Note - Secretary)

* The Director of Archives agrees to accept the collection, known as the Vernacular Architecture Society Collection, as a donation and to house it in the Cape Archives.

* The Director agrees to the condition that the collection be preserved as a separate entity and agrees to administer the collection and to provide suitable finding aids.

* The Director agrees that all the items in the collection be immediately available for public consultation unless otherwise stipulated by the Society or any individual donor.

* The Director agrees that the Society has the right to borrow material donated by it for use in exhibitions or displays of public or technical interest, it being understood that the request will be made in writing and signed by two members of the Society's committee. It is also understood that the Archives are not responsible for the material while it is on loan.

* The Director agrees that in the event of the State Archives putting on an exhibition drawn from material donated by the Society, the Society should be consulted and have the right of control.

* The Society agrees to collect and select the material for its collection.
